ABOUT US

With over 30 years of experience in the metal fabrication industry, IZE Metal Craft stands as a trusted name in delivering high-quality metal products tailored to the unique needs of various industries. Established in March 1992 by Mr. Eco, an expert in Tool and Die-making, our company has become a cornerstone in the local community of Valenzuela City, Metro Manila.

At IZE Metal Craft, we pride ourselves on our ability to turn visions into reality. Whether it's a custom HVAC component, retail fixture, architectural metalwork, or a specialized tool for the restaurant and food industry, our skilled team and advanced machinery ensure that every project meets the highest standards of precision and quality.

MISSION AND VISION

Our mission is to serve our community by providing exceptional metal fabrication services while creating employment opportunities and contributing to local economic growth. We envision a future where IZE Metal Craft continues to be a leader in innovation and craftsmanship, building long-lasting relationships with our clients and partners

WHY CHOOSE US?

OVER 30 YEARS OF EXPERTISE
With decades of experience and a long history of successful projects across multiple industries, IZE Metal Craft offers unparalleled expertise and honed craftsmanship. We are known for our reliability, innovation, and commitment to delivering projects on time and within budget, earning the trust and satisfaction of our clients.

CUSTOM SOLUTIONS TAILORED TO CLIENT NEEDS
We specialize in custom metal fabrication, providing personalized solutions for each client. Whether it's a unique design, specific measurements, or specialized materials, we work closely with clients to bring their vision to life.

STATE-OF-THE-ART MACHINERY
Our advanced equipment, including CNC plasma / fiber laser and CNC milling machines, ensures precision, accuracy, and efficiency in every project. This allows us to tackle even the most complex and intricate metalwork with confidence.

DIVERSE INDUSTRY EXPERIENCE
IZE Metal Craft serves a wide range of industries, including HVAC, retail, construction, restaurant, and more. Our versatility means we understand the unique requirements and standards of various sectors, allowing us to deliver industry-specific solutions.

COMMITMENT TO QUALITY
We pride ourselves on delivering high-quality metal products that meet the most stringent standards. Every project undergoes thorough quality checks to ensure durability, accuracy, and longevity.

LOCAL MANUFACTURING AND COMMUNITY FOCUS
As a Metro Manila -based company, we take pride in supporting the local economy by providing employment opportunities and serving our community. Clients who work with us contribute to the growth of local businesses and sustainable development.

SERVICES WE OFFER

CUSTOM METAL FABRICATION
Our custom metal fabrication services are at the core of what we do. Whether you need tailored HVAC components, retail fixtures, or architectural metalwork, we work closely with you to ensure your vision is realized with precision and quality.

PRODUCT DESIGN & DEVELOPMENT
From concept to production, our product design & development services help you refine and perfect your ideas, ensuring they are both innovative and manufacturable.

CNC LASER CUTTING / CNC MILLING
Utilizing advanced CNC plasma / fiber laser and CNC milling machines, we deliver precise cutting and milling services for complex shapes and patterns.

MILLING AND MACHINING
Our milling and machining services cater to a wide range of needs, from custom components to large-scale production runs, all with an emphasis on precision. Our services include turning, drilling, and shaping metal components with exact specifications.

CUTTING AND SHEARING
Our cutting and shearing services handle diverse metal sizes and thicknesses, delivering precise cuts with minimal waste.

METAL BENDING AND PRESSING
We shape and form metal into custom configurations using our advanced bending and pressing capabilities, which include hydraulic, mechanical, and power presses.

WELDING AND METAL FINISHING
Offering a full range of welding solutions, we ensure strong and durable joins in various metals, from small repairs to complex assemblies. We offer arc welding, MIG, TIG, and spot welding for various metals.

INDUSTRIES SERVED

HVAC INDUSTRY

Specializing in ventilation components, air control devices, and other HVAC parts, we ensure that every piece is fabricated to exact specifications.

- **Ventilation Components:** Grilles (Supply and Return), Diffusers (Ceiling, Wall, Floor), Louvers (Adjustable, Fixed), Vent Caps
- **Air Control Devices:** Dampers (Manual, Motorized), Fire Dampers, Pressure Relief Dampers, Backdraft Dampers
- **Other HVAC Accessories:** Air Filter, Bushings, Quadrants, TDC Corners, Duct Pins

RETAIL INDUSTRY

From store shelving to display fixtures, our custom metalwork enhances retail environments, providing both functionality and aesthetics.

- **Store Display Fixtures:** Clothes Racks (Freestanding, Wall-Mounted), Accessory Stands and Display Tables, Accessory Gondolas and Metal Towers, Wire Racks and Baskets
- **Poster Stands & Light Boxes:** Light Boxes, Poster Stands, Banner Stands and Sign Holders
- **Crowd Control:** Entry Gates, Railings and Turnstiles, Barriers, Guard Rails / Bumper Rails for Freezers and Refrigerators, Bollards, Stanchion Posts
