A close-up, artistic photograph of a metal lathe. A cutting tool is positioned against a rotating metal workpiece, creating a fine chip. The scene is illuminated with warm, golden light, highlighting the textures of the metal and the precision of the machinery.

ABOUT US

With over 30 years of experience in the metal fabrication industry, IZE Metal Craft stands as a trusted name in delivering high-quality metal products tailored to the unique needs of various industries. Established in March 1992 by Mr. Zacarias Eco, an expert in Tool and Die-making, our company has become a cornerstone in the local community of Valenzuela City, Metro Manila.

At IZE Metal Craft, we pride ourselves on our ability to turn visions into reality. Whether it's a custom HVAC component, retail fixture, architectural metalwork, or a specialized tool for the restaurant and food industry, our skilled team and advanced machinery ensure that every project meets the highest standards of precision and quality.

MISSION AND VISION

Our mission is to serve our community by providing exceptional metal fabrication services while creating employment opportunities and contributing to local economic growth. We envision a future where IZE Metal Craft continues to be a leader in innovation and craftsmanship, building long-lasting relationships with our clients and partners

WHY CHOOSE US?

OVER 30 YEARS OF EXPERTISE

With decades of experience and a long history of successful projects across multiple industries, IZE Metal Craft offers unparalleled expertise and honed craftsmanship. We are known for our reliability, innovation, and commitment to delivering projects on time and within budget, earning the trust and satisfaction of our clients.

CUSTOM SOLUTIONS TAILORED TO CLIENT NEEDS

We specialize in custom metal fabrication, providing personalized solutions for each client. Whether it's a unique design, specific measurements, or specialized materials, we work closely with clients to bring their vision to life.

STATE-OF-THE-ART MACHINERY

Our advanced equipment, including CNC plasma / fiber laser and CNC milling machines, ensures precision, accuracy, and efficiency in every project. This allows us to tackle even the most complex and intricate metalwork with confidence.

DIVERSE INDUSTRY EXPERIENCE

IZE Metal Craft serves a wide range of industries, including HVAC, retail, construction, restaurant, and more. Our versatility means we understand the unique requirements and standards of various sectors, allowing us to deliver industry-specific solutions.

COMMITMENT TO QUALITY

We pride ourselves on delivering high-quality metal products that meet the most stringent standards. Every project undergoes thorough quality checks to ensure durability, accuracy, and longevity.

LOCAL MANUFACTURING AND COMMUNITY FOCUS

As a Metro Manila -based company, we take pride in supporting the local economy by providing employment opportunities and serving our community. Clients who work with us contribute to the growth of local businesses and sustainable development.

METAL CRAFT

SCOPE OF WORKS

Supply, Fabrication and Installation of
Architectural, Mechanical,
Electrical and Specialty Metal Items
For Residential and Commercial Applications

Service Offerings

- Custom Metal Fabrication
- Product Design and Development
- CNC Laser Cutting & CNC Milling
- Milling and Machining
- Cutting and Shearing
- Metal Bending and Pressing
- Welding and Metal Finishing

Primary Materials (Base Item Materials)

- Stainless Steel
- Aluminum
- Black Iron (B.I.)
- Galvanized Iron (G.I.)
- Mild Steel (M.S.)
- Brass
- Copper

Secondary Materials (Accents)

- Acrylic
- Glass / Tempered Glass
- Solid Wood / Laminate Wood
- Synthetic Granite
- Other as-per-design materials

Material Finishes

- Stainless Steel
 - Mirror Finish
 - Hairline Finish
- Aluminum / B.I. / G.I. / M.S.
 - Raw (No Finish)
 - Powder Coated
 - Baked Enamel / Spray Paint Finish
 - Chrome

SERVICES WE OFFER

CUSTOM METAL FABRICATION

Our custom metal fabrication services are at the core of what we do. Whether you need tailored HVAC components, retail fixtures, or architectural metalwork, we work closely with you to ensure your vision is realized with precision and quality.

PRODUCT DESIGN & DEVELOPMENT

From concept to production, our product design & development services help you refine and perfect your ideas, ensuring they are both innovative and manufacturable.

CNC LASER CUTTING / CNC MILLING

Utilizing advanced CNC plasma / fiber laser and CNC milling machines, we deliver precise cutting and milling services for complex shapes and patterns.

MILLING AND MACHINING

Our milling and machining services cater to a wide range of needs, from custom components to large-scale production runs, all with an emphasis on precision. Our services include turning, drilling, and shaping metal components with exact specifications.

CUTTING AND SHEARING

Our cutting and shearing services handle diverse metal sizes and thicknesses, delivering precise cuts with minimal waste.

METAL BENDING AND PRESSING

We shape and form metal into custom configurations using our advanced bending and pressing capabilities, which include hydraulic, mechanical, and power presses.

WELDING AND METAL FINISHING

Offering a full range of welding solutions, we ensure strong and durable joins in various metals, from small repairs to complex assemblies. We offer arc welding, MIG, TIG, and spot welding for various metals.

INDUSTRIES SERVED

HVAC INDUSTRY

Specializing in ventilation components, air control devices, and other HVAC parts, we ensure that every piece is fabricated to exact specifications.

- **Ventilation Components:** Grilles (Supply and Return), Diffusers (Ceiling, Wall, Floor), Louvers (Adjustable, Fixed), Vent Caps
- **Air Control Devices:** Dampers (Manual, Motorized), Fire Dampers, Pressure Relief Dampers, Backdraft Dampers
- **Other HVAC Accessories:** Air Filter, Bushings, Quadrants, TDC Corners, Duct Pins

RETAIL INDUSTRY

From store shelving to display fixtures, our custom metalwork enhances retail environments, providing both functionality and aesthetics.

- **Store Display Fixtures:** Clothes Racks (Freestanding, Wall-Mounted), Accessory Stands and Display Tables, Accessory Gondolas and Metal Towers, Wire Racks and Baskets
- **Poster Stands & Light Boxes:** Light Boxes, Poster Stands, Banner Stands and Sign Holders
- **Crowd Control:** Entry Gates, Railings and Turnstiles, Barriers, Guard Rails / Bumper Rails for Freezers and Refrigerators, Bollards, Stanchion Posts
- **Other Custom Store Fixtures:** Custom Ladders and Catwalks, Commercial Trash Bins, Fitting Room Hardware, Umbrella Rack, Mesh Trolleys

ARCHITECTURE & CONSTRUCTION INDUSTRIES

We offer architectural metalwork for residential and commercial buildings, including decorative slats, balcony railings, and residential gates, blending design with durability.

- Architectural Metalwork: Balcony Railings, Guardrails, Handrails, Security Grilles
- Decorative Slat for Residential and Commercial Buildings
- Residential Gates, Garage Gates, Pet Gates
- Recreational Sets such as Playground Slide and See-Saw

RESTAURANT & FOOD INDUSTRIES

Our custom solutions include food preparation tools and molds, tailored to meet the strict standards of the restaurant and food industry.

- Molds for a Variety of Food Items
- Cutlery for Export (with or without Handles)
- Various Kitchen Tools: Baking and Pizza Tools, Custom Spoons, Meat Racks and Hooks
- Food Service Tools: Condiments Holder, Fries Holder, Plate Stands

CNC PROJECTS & OTHER INDUSTRIES

From custom storage tanks and vessels to tailored metal parts and unique metal products, our metal fabrication services, and CNC laser cutting / CNC mill machining work deliver solutions that meet your specific needs.

- Custom CNC Laser-Cut Logos and Signages
- Custom CNC Milled Logos for Branding Irons
- Stainless Steel Time Capsules with Stand
- Custom Storage Tanks and Vessels
- Production Line Steel Railings
- Threading of Solid Aluminum Rods
- Custom Metal Supports, Clamps, Brackets, Fasteners, Latches, Clips, etc.
- Other custom metal products that require metal fabrication services and CNC laser cutting / CNC mill machining work

OTHER INDUSTRIES

H V A C I N D U S T R Y

Specializing in ventilation components, air control devices, and other HVAC parts, we ensure that every piece is fabricated to exact specifications.

- **Ventilation Components**

- Grilles (Supply, Return)
 - Bar Grilles, Air Grilles
 - Single-Deflection Grilles (Fixed or Adjustable Blade)
 - Double-Deflection Air Grilles (Adjustable Blade)
 - Two-Way Return Air Grilles
 - Floor Grilles (with or without OBD & Air Scoop)
 - Egg Crate Grilles, Continuous Egg Crate Grilles
- Diffusers (Ceiling, Wall, Floor)
 - Round Ceiling Diffusers
 - Square Ceiling Diffusers (4-way, 3-way, 2-way)
 - Linear Slot Diffusers (4-slot, 3-slot, 2-slot, 1-slot)
 - Rectangular Ceiling Bladed Diffusers
 - Rectangular Ceiling Perforated Diffusers
- Louvers (Adjustable, Fixed)
 - Weather-Proof Louvers
 - 45-degree Louvers
 - Hinge-Type Louvers
 - Tubular Frame Louvers
- Vent Caps
 - Round Vent Caps
 - Round Flat Vent Caps
 - Square Vent Caps

- **Air Control Devices**

- Dampers (Manual, Motorized)
 - Rectangular Opposed Blade Dampers
 - Rectangular Single Blade Dampers
 - Rectangular Parallel Blade Dampers
 - Round Single Blade Type Dampers
 - Round Butterfly Type Dampers
 - Round Radial Type Dampers
- Backdraft Dampers
 - Rectangular Backdraft Dampers
 - Round Backdraft Dampers
- Fire Dampers
- Pressure Relief Dampers

- **Other HVAC Components**

- Air Filters
- Quadrant Handles and Accessories
- TDC Corners
- Bushings
- Duct Pins, Mechanical Clips
